

WHSB CAREERS

AN EVENING IN Healthcare

Wednesday 18 November 2026 - 7.00pm to 8.30pm

We are delighted that four professionals have agreed to attend our evening event, discussing their pathway into careers within their areas of expertise, as well as sharing some of the exciting projects they have been involved with to-date. Please book your free tickets ASAP via TicketSource which can be accessed at <https://whsb.ticketsource.co.uk/>. The event is open to pupils in all year groups, their families, carers, and our local secondary school community as well, however, seating is limited.

Robyn Jones - Real World Data Scientist, Roche

Robyn left WHSB in 2015 to study neuroscience at the University of Nottingham. After graduating, she worked in the NHS before pursuing a Master's Degree in population health and then a PhD in epidemiology and statistics at UCL. Over the past year, Robyn has worked as an epidemiologist, using statistics to analyse population-level data to support clinical trials and the approval of new medicines.

Dr Kieran Williams - Foundation Year 1 Doctor, Mid and South Essex NHS Foundation Trust

Kieran is a newly qualified Foundation Year 1 Doctor and former student of WHSB. He studied Medicine at University College London (UCL), graduating with the prestigious Charlotte Brown Prize. During medical school, Kieran developed an interest in Cardiovascular medicine, completing an intercalated BSc in Cardiovascular Science. He has also completed research into wearable technology in healthcare, which he has presented at national conferences, winning the best oral presentation prize on two occasions. He is a keen tennis player, who still plays and watches, and is now enjoying playing Padel.

Dr Jonathan Age - Associate Dentist, Valley Dental Practice and Heralds Way Dental Clinic

Jonathan is currently an Associate Dentist working across two practices in Mid and South Essex. Having left WHSB in 2020, Jonathan went on to study dentistry at King's College London, graduating in 2025 with a Bachelor's of Dental Surgery alongside an Associateship of King's College (AKC) and winning the Portsmouth Prize amongst his cohort. Jonathan thoroughly enjoyed playing football both at WHSB and at university, and has earned over 5 caps for the British Dentists Football Club. He is passionate about all aspects of general dentistry and is aiming to pursue further training in periodontology.

George Hale - Senior Physiotherapist, Mid and South Essex NHS Foundation Trust

After leaving WHSB in 2017, George graduated from Loughborough University with a BSc (Hons) in Sports & Exercise Science, which included a placement year at AFC Bournemouth as the Sports Science and Strength & Conditioning intern. For career progression, George then elected for a Masters Degree in Physiotherapy at Birmingham City University. Today, George is a qualified and chartered Physiotherapist working within the private and acute NHS sectors. This spans multi disciplines including stroke, outpatient MSK, neurology, respiratory, ED, orthopaedics, elderly, burns and plastics, and acute medicine.

This event will take place in the Main Hall, parking is available on the South Drive. Please note that tickets are limited and, should you be unable to attend, please kindly cancel your booking.

We hope that you find this WHSB Careers Evening interesting, helpful, and informative. Feedback is always welcomed, as well as offers of support for future events.
