

WESTCLIFF HIGH SCHOOL FOR BOYS

CAREERS AND WORK-RELATED EDUCATION (CWRE) AND INFORMATION, ADVICE AND GUIDANCE (IAG) POLICY AND PROVIDER ACCESS STATEMENT

REVIEWED: Autumn 2022

COMMITTEE: Teaching Quality & Pastoral

DATE OF NEXT REVIEW: Autumn 2024 (policy has had an interim review in July 2023)

INTRODUCTION TO CWRE AND IAG

This policy outlines the School's commitment to career and work-related learning education (CWRE) and information, advice and guidance (IAG).

CWRE and IAG are essential:

- to prepare young people for the workplace by providing a clear understanding of the world of work including the routes to jobs and careers that they might find engaging and rewarding (DfE).
- to support young people to acquire the self-development and career management skills they need to achieve positive employment destinations (DfE).
- to help young people choose their pathways, improve their life opportunities, and contribute to a successful economy (DfE).
- to challenge stereotypes and promote equality, diversity, and social mobility.
- to support young people to maintain employability and to ensure personal and economic wellbeing throughout their lives.

A SCHOOL COMMITMENT

As a School, we recognise the importance of our statutory duty in providing independent, impartial careers guidance for students in Y7 to Y13, which shares information on education and training opportunities, including apprenticeships and vocational pathways. We have a planned programme of CWRE and IAG which is embedded across students' education at WHSB as part of their Personal Development.

It does not simply take place as part of bespoke or one-off events, but rather the Careers Programme is delivered through four channels: the Pastoral Programme; PSHEE; curricular activities; and extra-curricular activities. An overview of this provision can be found in the mapping document at the end of this policy.

The School also undertakes regular Compass+ evaluations against the eight Gatsby Benchmarks, in order to review its provision:

1. A stable Careers programme.
2. Learning from career and labour market information.
3. Addressing the needs of each pupil.

4. Linking curriculum learning to Careers.
5. Encounters with employers and employees.
6. Experiences of workplaces.
7. Encounters with further and higher education.
8. Personal guidance.

Furthermore, the School's Learner Profile and its seven attributes enable our students to be well-prepared to make informed decisions about their future careers and be in a position to access opportunities, having developed the cultural capital which opens those doors to them:

1. Be intellectually curious
2. To have personal integrity
3. Be collaborative and supportive
4. Be open to opportunity
5. Be globally aware
6. Be an effective communicator
7. Be a lifelong learner

ROLES AND RESPONSIBILITIES

The responsibility for CWRE and IAG lies with Miss Gail Fairfax (Third Deputy Headteacher) and Mr Martin Atkinson, the School's dedicated Careers Advisor. There is also an appointed Link Governor, Mr Anthony Cole.

However, many other key individuals within the School community have an important role to play:

- The Headmaster and the School's Senior Leadership Team
- Heads of Department, including the Head of PSHEE
- The Pastoral Team
- SENCo

- PPG Lead
- Alumni
- Parents and Carers.

INDIVIDUAL PROVISION

Our Connexions Advisors provide one-to-one impartial and individualised information, advice and guidance as a priority to Y11 and Y12 students. However, disadvantaged and SEND students in Y10 and Y13 are also offered and referred for appointments, and pupils in Y7 and Y8 are introduced to Connexions as part of a Careers curriculum event.

The Careers Programme ensures that advice and guidance are provided at key transition points in Y9 and Y11 to ensure that GCSE and A level options are fully explored. The School also invites a FE College into school to speak with Y11 in order to explore further education opportunities.

The School is highly academic and, as such, the majority of Sixth Form students decide to continue their studies at university. There is support provided to pupils throughout the UCAS process and also to those applying for Oxbridge. In addition, there is a growing number of students who are applying for degree apprenticeships offered by universities in conjunction with prestigious employers. Any student following this route will be supported on an individual basis. The Careers Programme offers events and talks on Careers including those reached through the medium of apprenticeships. In addition, there is an Enrichment Day in the summer term of Y12 which focuses on UCAS, apprenticeships and virtual work experience opportunities through Springpod.

PARTNERSHIPS AND EXTERNAL LINKS

The School is supported by the Enterprise Co-ordinator at Southend Borough Council who helps us in developing our Careers provision, has a dedicated Enterprise Advisor and is a member of the Greater Essex Careers Hub. Our Careers programme has enabled the School to build links with businesses and visiting speakers, including alumni and parents / carers, to further enrich our offer. There is also a close relationship with

Westcliff High School for Girls in order to share knowledge around statutory requirements and events. National Careers Week and Apprenticeship Week are celebrated at the School, which enables further partnerships and external links to be built.

REVIEW AND EVALUATION

This is done annually in conjunction with all those involved in the delivery of the Careers Programme, including Pastoral Support Teams (at KS3, 4 & 5) and feedback from students, parents and evaluations carried out by guest speakers. As previously mentioned, the Compass+ tool provided by the Careers and Enterprise Company assists with recording the school's progress in meeting the Gatsby Benchmarks and is an excellent way in which to evaluate the programme. Implementation of the CWRE & IAG policy is to be reviewed formally on a bi-annual basis.

SINGLE EQUALITY STATEMENT

The School ensures quality of education and opportunity for all of our students, irrespective of their gender, disability or ethnic background. The Careers Programme addresses inequality and fosters positive attitudes to diversity so that all those who form part of the School community are respected, valued and equipped to form positive working relationships in their future Careers.

PROVIDER ACCESS STATEMENT

INTRODUCTION

This Policy sets out the School's arrangements for managing the access of providers to pupils at the School for the purposes of giving them information about the provider's education or training offer. This complies with the School's legal obligations under Section 42B of the Education Act 1997.

STUDENT ENTITLEMENT

Students in Years 7 - 13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships.
- to understand how to make applications for the full range of academic and technical courses.

MANAGEMENT OF PROVIDER ACCESS REQUESTS

Procedure

A provider wishing to request access should contact:

Mr Martin Atkinson

Careers Advisor

Telephone: 01702 475443

Email: atkinsonm@whsb.essex.sch.uk

Premises and Facilities

The School makes the Main Hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The School also makes available audio-visual and other specialist equipment to support provider presentations. This is discussed and agreed in advance of the visit with the Careers Adviser.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Resource Centre, which is managed by the School Librarian. The Resource Centre is available to all students at lunch and break times

Opportunities for Access

A number of events within the School's Careers Programme (see mapping document below) will offer alternative providers, such as USP College, the opportunity to come into School to speak with the students and / or their parents / carers. Please speak to the Careers team to identify an appropriate opportunity for you.

Provider Access Legislation – Effective January 2023

The provider access legislation is new guidance that comes into force from January 2023. It is a key mechanism to further help learners understand and take up, not just apprenticeships, but wider technical education options such as T-Levels and Higher Technical Qualifications.

The updated provider access legislation (PAL) specifies schools must provide at least six encounters for all their students:

- Two encounters for pupils during the ‘first key phase’ (year 8 or 9) that are mandatory for all pupils to attend;
- Two encounters for pupils during the ‘second key phase’ (year 10 or 11) that are mandatory for all pupils to attend;
- Two encounters for pupils during the ‘third key phase’ (year 12 or 13) that are mandatory for the school to put on but optional for pupils to attend.

In the context of the provider access legislation, a provider is an organisation that offers approved technical education qualifications or their representative, for example an FE college or training provider.

A provider, to whom access is given, must deliver an encounter that includes the following:

- Information about the provider and the approved technical education qualifications or apprenticeships that the provider offers;
- Information about the careers to which those technical education qualifications or apprenticeships might lead;
- A description of what learning or training with the provider is like;
- Responses to questions from the pupils about the provider or approved technical education qualifications and apprenticeships.

CAREERS EDUCATION IAG MAPPING DOCUMENT

ACADEMIC YEAR 2023 – 24

In addition to the provision detailed below, the School also has a Careers section within its library, which is updated each year with relevant information and up-to-date prospectuses. Furthermore, the extensive and varied extra-curricular provision at the School offers a wealth of opportunities for pupils to develop their confidence, self-esteem, teamwork and leadership skills.
