Adam has a 15-year career in the banking sector with a varied range of roles and experiences to share, ranging from Personal Lending, Banking Operations and most recently in the corporate and commercial arena.

Louisa Murray, Global Head, Key Accounts & Partners, Railsr

A financial services pioneer, Louisa was one of CIBC's and Barclays Bank's first female traders. Part of the founding team of Railsr, the leading embedded finance fintech platform, Louisa combines her keen eye for profitability with a commitment to nurturing and supporting the Railsr team through rapid growth. She strongly believes in good communication, learning to prioritise and helping every individual recognise and develop their own special talents. Louisa is currently the Global Head for Key Accounts and Partners at Railsr.

Paul Phelps, CEO, AMS Media Group

Paul emerged from a "fragmented" education with a Postgraduate Diploma in Advertising, which eventually led him from Tea Boy to CEO of a London-based Media Agency. He is a passionate exponent of the independent agency sector and conducted a MBO from the founder in 2004, overseeing the agency's evolution from analogue to digital. He is experienced in planning ad campaigns across all media channels and has worked with a wide range of brands spanning multiple market sectors. Over the years, major clients have included household names such as Red Bull, Jägermeister, Royal Ascot, Royal Caribbean and Givenchy. As a result, he much prefers working on challenger brands with big ambitions than clients stifled by protocols and politics.
