Head to: [Live Webinar | Aspire \(upreach.org.uk\)](https://www.upreach.org.uk) who are hosting a **webinar on Tuesday 7 February at 5pm** entitled “**Alternatives to University: Apprenticeships and more**”, designed to support state school sixth formers across the UK to explore their career and further education options.

The webinar will provide a diverse range of information about technical qualifications and apprenticeships as well as featuring an expert panel who will share their knowledge and experience during a 40-minute Q&A session. Through this encounter, you will have the opportunity to explore what it is like to learn in that environment.

Alternatively, look at <https://nationalapprenticeshipweek.co.uk/> where plenty of webinars will be made available on demand after the event as many are held during the day.
