Advance Information

General information for students and teachers

This advance information provides the focus of the content of the summer 2022 examination papers.

It does not apply to any other examination series.

It is intended to support revision.

It may be used at any time from the date of release.

It must not be taken into the examination.

Subject information for students and teachers

A guidance document on advance information has been produced by The Joint Council for Qualifications (JCQ) on behalf of all awarding organisations. It can be found [here](#).

This advance information covers Components 1 and 2 only. It applies to Task 2 only in Component 1, the theme-based discussion, based on a stimulus card. There is no advance information for Component 3.

The following areas of content are suggested as key areas of focus for revision and final preparation, in relation to the Summer 2022 examinations.

The aim should still be to cover all specification content in teaching and learning.

Component 1

Sub-theme	Sub-sub-theme
Education and employment opportunities	The education system and student issues
Media, art, film and music in the German-speaking world	Trends in media and art Film and music in the lives of young people
