PLEASE NOTE:

MFL Oral Examinations: Individual Timings will be notified under separate arrangements.

Contingency Days: For the Summer 2024 series, "contingency" exam days have been arranged by the examination awarding bodies which all pupils need to be aware of. These contingency days for GCSE and GCE examinations have been put in place "in the event of widespread, sustained, national or local disruption to examinations during the June 2024 examination series." The dates that have been set as the contingency days are **Thursday 6, 13 & Wednesday 26 June 2024**. This means all exam candidates **must be available to sit exams from the date of their first exam until Wednesday 26 June 2024**. This decision is not a school decision and does apply to all candidates in all schools. Please can all pupils/parents/carers make a note of the contingency exam dates in the event that an awarding body needs to invoke its contingency plan.
